Amendment 9 - 2024/25 Racing

Racing SA wishes to advise that following inspections by Stewards and the Racing SA Industry Track Manager, in consultation with the Jamestown Racing Club, the meeting set down for Saturday 5th October 2024 has been abandoned.

Local environmental impacts, including a lack of recent rainfall have deemed the surface unsuitable to race. Racing SA will continue to work with and support the club.

Racing SA will continue to monitor upcoming race programs and entries, to determine the need for dividing races at other meetings in proximity to Saturday week, to ensure horses likely to have competed at Jamestown, have available options to race.
