## Trainer – Mr. Darryl Carrison

Stewards conducted an inquiry into the reasons licensed trainer Mr. Darryl Carrison had at his premises an unregistered product during a stable inspection conducted during the course of the Port Lincoln race meeting on Friday, 10<sup>th</sup> December 2021.

Evidence was taken from Racing SA Compliance Assurance Officer / Stipendiary Steward, Mr. Andrew Hayles and also Mr. Carrison.

Mr. Carrison pleaded guilty to a charge under AR 252(1) in that he had at his premises during a stable inspection, a substance that was not registered in accordance with applicable Commonwealth or State Legislation, that substance being “Bleeder Stopper”.

For this offence, Mr Carrison was fined \$600.

Mr. Carrison pleaded guilty to a further charge under AR104 (2) in that he failed to keep proper treatment records for the gelding AXECAPITAL, which competed in Race 5 at the Port Lincoln Racing Club meeting on Friday, 10<sup>th</sup> December 2021.

For this offence, Mr Carrison was fined \$200.

In considering penalty on both matters, Stewards had regard for the mitigating and aggravating circumstances, namely that his veterinary surgeon at the time had prescribed and provided him with the substance resulting in it being in his possession, his forthrightness during the inquiry and his plea of guilt. They also had regard, however, that Mr Carrison had previously offended under both rules in 2019.

Mr. Carrison was advised of his rights of appeal.
