## STRATHALBYN – 28 January 2024

Race 1 – Distinctive Blinds & Curtains Fillies and Mares Maiden Plate – 1200m

Stewards today concluded an inquiry adjourned from Race 1 at Strathalbyn on Sunday, 28 January 2024 into the reasons why IVA DREAM fell and dislodged its rider K. Hannan after passing the winning post.

Stewards heard evidence from K. Hannan, rider of IVA DREAM and J. Opperman, rider of DEEP REFLECTION.

After considering the evidence and acting on their own observations, it was established that after passing the winning post at the completion of the race, when being eased down by its rider, IVA DREAM stumbled for no apparent reason and fell, dislodging K. Hannan. As there was no other horse or rider that contributed to the incident a warning was placed on IVA DREAM in relation to the matter. In arriving at this decision Stewards took into account that IVA DREAM had raced on 4 occasions since this event without incident.
