Acting under AR208(3)(b) Stewards deemed it impractical for C. HARD LEAF (M. Wolanin) - when questioned in relation to the tactics adopted in today's event, rider explained that her instructions were to be positive early and attempt to cross the field when in the lead near the 1000m. She added that she was instructed to continue to maintain a fast tempo and place the gelding under pressure from the 800m. Trainer, Mr D. Carrison confirmed these instructions and also added that these were the same instructions he gave to the rider in its last start and he was happy with the ride.

ILDIKO (C. Jones) - on jumping away was hampered by IRON SUSIE, which shifted in and as a result lost ground.

SIX DEGREES (T. Childs) - jumped away awkwardly.

Correct weight was delayed to allow Stewards to view the vision of the start. After considering evidence from the Assistant Starter, Mr R. Lepley, rider C. Puls (MANGIONE), acting on their observations and viewing the vision, Stewards determined that the gelding was denied a fair start and declared MANGIONE to be a non-runner in accordance with AR204 and declared correct weight.

Schultz explained he had not made any changes to TWO KAY KLICK's work and was hopeful of a better showing than its previous starts with the removal of a tongue tie to its gear; however, he was pleasantly surprised with the result. Mr Schultz added that he had a very minor wager on the gelding, which he normally does at most starts but he did not encourage the connections or anyone associated with the stable to place a wager on the gelding.
