**MORPHETTVILLE – THURSDAY, 29 SEPTEMBER 2011**

**PORT AUGUSTA – SUNDAY, 10 JULY 2010**

**RACE 7 : XXXX GOLD PORT AUGUSTA CUP - 2250 metres**

An inquiry adjourned from Port Augusta on Sunday, 10 July 2011, was concluded at Morphettville today.

The Stewards heard evidence from S. Cahill, the rider of BRAD STAR, which fell in the event, and N. Stone, the rider of LOTTYLIEL, who was dislodged from that gelding as it collided with the fallen horse, as well as A. Herrmann (FAST EDDIE), D. Tourneur (LUVBITE) and W. Kerford (PELEKUNU VALLEY).

It was established that in the vicinity of the 500 metres BRAD STAR (S. Cahill), when improving past the heels of LUVBITE (D. Tourneur), clipped heels and fell as LUVBITE rolled out marginally in response to FAST EDDIE (A. Herrmann) continually shifting out marginally before it regained its line. In consequence LOTTYLIEL (N. Stone), which was under pressure, was severely hampered and dislodged its rider in contacting BRAD STAR.

Having regard to this evidence, the Stewards determined no rider was at fault and no action was taken.
