ADDITIONAL STEWARDS' REPORT – SOUTHERN INVASION

MORPHETTVILLE – SATURDAY, 3 MARCH 2012

RACE 5 : MO BARRY'S 80TH BIRTHDAY HANDICAP - 1529 metres

Mrs. M. Ruberry, Trainer of SOUTHERN INVASION, which was eased out of the event from the 100 metres, has advised that subsequent to the race a veterinary examination of the gelding revealed muscle soreness behind the saddle and pathology tests reported a high enzyme count.

The Trainer advised that SOUTHERN INVASION was undergoing treatment and a decision regarding the current preparation would be made within a fortnight.
