ADDITIONAL STEWARDS' REPORT – PERFECT PUNCH

MORPHETTVILLE – TUESDAY, 20 MARCH 2012

Joint Trainer Mr. L. Macdonald has reported to Stewards that subsequent to the gelding's disappointing performance at Morphettville on Monday, 12 March 2012 when it was reported as exhibiting atrial fibrillation, PERFECT PUNCH had undergone an extensive veterinary examination.

During that examination PERFECT PUNCH exhibited lameness in the near hind and off fore legs. The Trainer advised that after further investigation, including digital radiographs, it was determined that PERFECT PUNCH be spelled.
