MORPHETTVILLE PARKS – SATURDAY, 2 JUNE 2012

RACE 4 : BOAG'S DRAUGHT HANDICAP - 1400 metres

Mr. G. Searle, the Trainer of SARCASM, has confirmed the gelding had subsequently developed an abscess to its off fore hoof and following treatment, it will be spelled.

RACE 6 : ADELAIDE GALVANISHING HANDICAP - 1250 metres

Mr. J. Stephens, the Trainer of ROLL OF THE DICE, has reported that subsequent to this race the mare had several lacerations to its near hind leg indicating ROLL OF THE DICE had "speedy cut" during the race.

Mr. Stephens stated that with hindsight, the ten day back up may not have suited ROLL OF THE DICE and in future he would attempt to space the mare's runs.

He said that otherwise ROLL OF THE DICE had pleased the stable and after spending a few days out of the stable would likely be directed towards a race at Mildura in the near future.
