ADDITIONAL STEWARDS' REPORT – EXTRA VIRGIN and GET UP STAND UP

MORPHETTVILLE – SATURDAY, 2 MARCH 2013

Stewards interviewed Trainer Mr. J. Stephens in respect of an Additional Report dated 19 December 2012, which read:

“Trainer Mr. D. Koch, who has recently acquired the horses EXTRA VIRGIN and GET UP STAND UP, in accord with the requirements of ARR.140(a), has advised Thoroughbred Racing SA Stewards that subsequent to their previous starts, both horses had undergone thermo cauterization of the soft palate.

At a later date Stewards will interview the previous Trainer, Mr. J. Stephens, in regard to his compliance under this Rule.”

It was established that Mr. Stephens had in fact complied with the provisions of ARR.140(a) prior to Stewards receiving notification from Mr. D. Koch.
