STIPENDIARY STEWARDS' REPORT – L. JARVIS / JIMMY'S EYE

MORPHETTVILLE – TUESDAY, 12 MARCH 2013

MURRAY BRIDGE – MONDAY, 28 JANUARY 2013

RACE 7 : RAINFOREST RETREAT MURRAY BRIDGE 4 1/2 STAR B&B RATING 0-62 HANDICAP - 1600 metres

Stewards concluded an inquiry on Thursday, 7 March 2013, into the analysis of a pre-race blood sample taken from the racehorse JIMMY'S EYE prior to this event recording a total carbon dioxide (TCO₂) level at a concentration greater than 36 mmol/L in plasma as prescribed by the Rules.

Evidence was taken from Mr. L. Jarvis, the Trainer of JIMMY'S EYE, Thoroughbred Racing SA Veterinary Surgeon, Dr. P. Horridge, and Racing Analytical Services Limited Laboratory Senior Research Chemist, Paul Zahra.

After considering the evidence, Stewards charged Mr. Jarvis under ARR.178 as the licensed Trainer of the horse JIMMY'S EYE, which had been brought to Murray Bridge Racecourse on Monday, 28 January 2013 to contest Race 7 following which analysis of a pre-race blood sample taken from that gelding detected a prohibited substance, namely total carbon dioxide (TCO₂) at a concentration greater than 36.0 mmol/L in plasma. Mr. Jarvis pleaded guilty to the charge.

In determining penalty Stewards were mindful that Mr. Jarvis had previously been found guilty of a breach of the same Rule, however, Stewards also had regard for Mr. Jarvis' personal circumstances. Consequently Stewards determined that Mr. Jarvis' Owner-Trainer Permit be suspended for a period to commence at midnight on Friday, 15 March and to conclude at midnight on Wednesday, 31 July 2013. In addition he was fined the sum of \$3000.00.

Mr. Jarvis was informed of his right of appeal.

Acting under ARR.177, JIMMY'S EYE, which finished sixth, was disqualified from this event. The placings will be amended accordingly.
