MEADOWS MIST was examined by the Club's Veterinary Surgeon who reported the filly to be lame in the near foreleg. Mr. J. Cornell, the Trainer of MEADOWS MIST, was advised a Veterinary Certificate of Fitness would be required prior to presenting for a future trial or race.

RACE 2 : SPORTINGBET HANDICAP - 1550 metres (Cont'd)

C. Lindop, the rider of VIKING STAR, which performed below expectations, explained the gelding had not travelled well in the early and middle stages of the event and in her opinion was reluctant to race when inside other runners. She added that in the vicinity of the 400 metres VIKING STAR was reluctant to improve to the outside of DIFFERING FORTUNES (L. Stojakovic) and to the inside of MEADOWS MIST (P. Gatt) and in her opinion had finished the race off poorly. VIKING STAR was examined by the Club's Veterinary Surgeon who reported a lower than expected heart rate.

RACE 3 : PROJECTION GRAPHICS HANDICAP - 1250 metres

LOHENGRIN (S. Cahill) was slow to begin.

Stewards were concerned with J. Kah, the rider of RUN LIKE REAAN's, awareness and assessment of the incident in the vicinity of the 800 metres when ECLAIR BIG BANG (NZ) (D. C. Lever, the rider of CAPE CLEAR, explained that after the interference at the start he was unable to improve his position on the gelding due to the position of JERSEY SHORE (P. Gatt). He added that when JERSEY SHORE improved in the middle stages he was able to track that gelding to obtain cover and race closer to the speed. He stated that when asked for an effort inside the 500 metres CAPE CLEAR had responded and finished the race off well, however, he was disappointed as the gelding had shown a greater turn of foot in recent starts. CAPE CLEAR was examined by the Club's Veterinary Surgeon who reported no visible abnormalities.
