ADDITIONAL STEWARDS' REPORT

MORPHETTVILLE PARKS, SATURDAY, 24 NOVEMBER 2012

RACE 4 : BLAZE MAGAZINE HANDICAP - 2250 metres

TRSA Stewards have concluded an inquiry into the circumstances in which ROSCREA ROSE (J. Beriman) clipped heels and fell at the entrance to the straight in this event. Having considered the evidence taken from the riders and the reporting Steward as well as having reviewed the surveillance vision at length, Stewards were satisfied that ROSCREA ROSE had improved quickly into a run which was available between DUNROSSIL (K Bishop), which shifted out, and GOLDSTINGER (D Tootell), which shifted in as it commenced to give ground under pressure, forcing J Beriman to check ROSCREA ROSE when tightened for room. In being checked ROSCREA ROSE clipped the heels of GOLDSTINGER and fell. In consequence, STURGIS (NZ) (J. Kah), which had been trailing ROSCREA ROSE, could not avoid the fallen horse and also fell.

As Stewards were satisfied that shifts by both DUNROSSIL and GOLDSTINGER had contributed to ROSCREA ROSE being denied legitimate room and that ROSCREA ROSE had improved quicker than the rider may have anticipated, they determined no rider to be culpable.
