RACE 1 : SLOANS SANDS HANDICAP - 1050 metres

SURFINE, which struck the rail near the mounting enclosure en route to the barriers, was examined by the Club's Veterinary Surgeon on arrival and ruled fit to start.

KASKAR (J Bowditch) stood flat-footed and was slow to begin, losing many lengths.

MISS WYNETTE (V Colgan), which was under pressure inside the 500 metres and raced greenly in the straight, attempted to improve into a run between POUND THE ALARM (C lever) and PRINT MONEY (S Westover) in the vicinity of the 150 metres, at the same time as PRINT MONEY rolled in, became held up and was obliged to alter course to the outside of PRINT MONEY in the vicinity of the 100 metres.

V Colgan, the rider of MISS WYNETTE, explained the filly began satisfactorily but was off the bit and under pressure from in the vicinity of the 500 metres and failed to respond to his riding in the manner he expected. He added that inside the 200 metres, when attempting a tight run between POUND THE ALARM (C Lever) and PRINT MONEY (S Westover), he was unable to improve into that run, became held up, and was obliged to alter course to the outside of PRINT MONEY to gain clear ground.

POUND THE ALARM lost its near hind plate during the event.

MISS WYNETTE was examined by the Club's Veterinary Surgeon who reported no visible abnormalities.

RACE 2 : TATSBET HANDICAP - 1600 metres

The start of this race was delayed approximately two minutes owing to THE BIG STEEL having to be re-saddled on arrival at the barriers.

As the Thoroughbred Identification Card was unavailable, Stewards were able to identify THE BIG STEEL from computer records held by them and the gelding was permitted to start. Mr I Collins, representing Mr S Brown, the Trainer of THE BIG STEEL, was advised Mr. Brown had been fined \$50 under ARR.59A for failing to produce the Thoroughbred Identification Card for the gelding.

RACE 2 : TATSBET HANDICAP - 1600 metres (continued)

On jumping away FROM THE VAULT (J Holder) and OUI SI ATTITUDE (S Westover) contacted.

THE BIG STEEL (C Lindop) raced wide without cover in the early stages of the event.

PELEKUNU VALLEY (NZ) (L Hopwood) raced keenly in the early and middle stages of the event and in the vicinity of the 700 metres shifted out and contacted DISTILLATION (S. Price), which was taken wider.

J Kah, the rider of FILIAR INVICTUS, explained that in the vicinity of the 800 metres, when trailing BLUE MAGGICH (NZ) (A Herrmann), it was her intention to improve outside that gelding as FILIAR INVICTUS appears to be better suited to racing outside runners but due to the improvement and positioning of OUI SI ATTITUDE (S Westover) to her outside, she was unable to do so. Thereafter the mare resented racing in restricted room between runners and lost ground. She added, rounding the home turn, when racing in unrestricted room, the mare responded to her riding and finished the race off fairly.

FILIAR INVICTUS, which performed below expectations, was examined by the Club's Veterinary Surgeon who reported no visible abnormalities.

RACE 3 : JOE LIDDY 90TH BIRTHDAY HANDICAP - 2028 metres

Mr P Blanch, the Trainer of SILENT ATTITUDE, advised Stewards that due to a step up in distance and the wide barrier he will instruct Apprentice S Westover to attempt to settle back of midfield if possible with cover to allow the mare to finish its race off.

In the vicinity of the 1400 metres BRAD STAR (C Lindop), which raced keenly, became awkward on the heels of WILLEGO (J Bowditch) and when being restrained, shifted in and contacted SILENT ATTITUDE (S Westover) on several occasions. C. Lindop reported that due to the condition of the reins fitted to this gelding she had difficulty maintaining a proper grip and consequently shifted ground. Stewards inspected the reins fitted to the horse post-race and Mr. V. Bradley, the Trainer of BRAD STAR, was advised to discontinue the use of the reins.

Shortly after the entrance to the straight SUCCESS DOSTTA (B Melham) improved into a run between SANDHILL CHIEF (D Tourneur) to its inside and WILLEGO (J Bowditch) to its outside. Shortly thereafter WILLEGO rolled in slightly, resulting in contact between WILLEGO and SUCCESS DOSTTA for a short distance and SUCCESS DOSTTA racing in restricted room between WILLEGO and SANDHILL CHIEF until in the vicinity of the 100 metres, losing its position. As a consequence SUCCESS DOSTTA was untested to the line.

Inside the 100 metres LUCKZAT (NZ) (M Walters) brushed the inside running rail of its own accord.

TEXAN WARNEY lost its near hind plate during the event.

SILENT ATTITUDE was examined by the Club's Veterinary Surgeon who reported a lower than expected heart rate.

In the vicinity of the 150 metres WICKED TYCOON (P Gatt), which raced greenly, shifted in and inconvenienced STATUE OF GLORY (W Kerford).

Over the concluding stages WICKED TYCOON (P. Gatt), which continued to race greenly shifted about when racing in restricted room between STREET CRIER (S Vella) and OUR BELVOIR (T Pannell) and made contact with OUR BELVOIR.

Correct Weight for this event was delayed to permit P Gatt, the rider of the dead-heat fifth placegetter, to view the official film over the concluding stages of the event.

Mr B Searle, the Trainer of BELLCHUCA, advised Stewards he would instruct Jockey J. Potter to attempt to ride the filly more forward today.

The start of this event was delayed approximately three minutes owing to an interstate delay and BELLCHUCA, which proved fractious and scrambling in its barrier stall, having to be examined by the Club's Veterinary Surgeon who ruled the filly fit to start.
