

THOROUGHBRED RACING SA LIMITED

ADDITIONAL STEWARDS' REPORT – PIERREMONT EXPRESS

MORPHETTVILLE - MONDAY, 18 NOVEMBER 2013

In accordance with Rule AR140, Trainer Mr. A. Beswick, has notified Thoroughbred Racing SA Stewards that in May 2012 PIERREMONT EXPRESS underwent surgery on the off fore distal flexor tendon sheath where a lesion in the deep digital flexor tendon was found. The mare returned to work in January 2013, however, a subsequent scan showed another deep digital flexor tendon lesion. Consequently, the mare was spelled and commenced rehabilitation in May 2013.

Mr. Beswick advised PIERREMONT EXPRESS returned to work in August 2013 and will continue with its preparation.
