RACE 2 : ROYAL SOCIETY FOR THE BLIND MAIDEN PLATE - 1050 metres

K. Cross, the rider of LOS RIOS, explained her instructions were to take up a forward position in running and the filly travelled well in the early stages but was inclined to lay away from other runners between the 600 metres and the 400 metres and after entering the straight, was under pressure and finished the race off in a disappointing manner. LOS RIOS was examined by the Club's Veterinary Surgeon who reported a suspected lung infection. Mr. R. Jolly, the Trainer of LOS RIOS, was advised the results of a full respiratory examination (results of endoscopic examination and scan included) would be required prior to presenting the filly for a future trial or race.
