RACE 1 : SPORTINGBET HANDICAP - 1250 metres

In the vicinity of the 900 metres CELEBRITY TYCOON (R. Hurdle) became awkwardly placed on the heels of TRAFFIC DODGER (S. Cahill) as that gelding slowed the pace after taking up a forward position. As a result THE ULTIMATUM (C. Lindop) became awkward on the heels of CELEBRITY TYCOON, had to be restrained and shifted out onto MAGIC BOY (S. Carr), which was taken wider. As a consequence PATCH HERO (J. Toeroek), which was following, became awkwardly placed on the heels of MAGIC BOY, was hampered and obliged to race very wide for several strides. Thereafter PATCH HERO, when being restrained, commenced to race very ungenerously, raced wide without cover for some distance and did not settle until inside the 600 metres.

J. Toeroek, the rider of PATCH HERO, explained that after the filly commenced to race ungenerously, he was obliged to race without cover and rounding the home turn was unable to hold MAGIC BOY (S. Carr), which improved to his inside. He added PATCH HERO finished the race off in a disappointing manner. PATCH HERO was examined by the Club's Veterinary Surgeon who reported no visible abnormalities.

S. Cahill, the rider of TRAFFIC DODGER, explained his instructions were to allow the horse to settle where it was comfortable, however, if there was not sufficient pace in the event, given that the gelding was fitted with blinkers for the first time, rather than being trapped wide, to take up a forward position. He further explained that when making the turn near the 900 metres, after obtaining a forward position due to an apparent lack of pace to his inside, he restrained his mount in an attempt to allow the gelding to settle and as a consequence TRAFFIC DODGER commenced to race a little strongly. Stewards advised S. Cahill that in the circumstances, his slowing the pace in that part of the event did not amount to excessively slowing or checking the pace, but nevertheless reminded him of his obligations under AR137(d). Stewards confirmed the instructions in respect of TRAFFIC DODGER with the horse's Trainer Mr D. Clarken.

TRAFFIC DODGER lost its near hind plate during the event.
