Stewards have concluded an inquiry into the circumstances in which licensed Trackwork rider Alexia Styles, provided a urine sample after riding trackwork at Morphettville Racecourse on Monday, 8 September 2014 in which the substance *Phentermine* was detected. *Phentermine* at a concentration above 500µg/L is declared as a banned substance under Rule AR.81B.

Evidence was taken from Alexia Styles, who admitted taking the substance in the lead up to Monday, 8 September 2014.

A. Styles pleaded guilty to a charge under Rule AR.81A(1)(a) in that the sample provided by her contained a substance banned under ARR.81B, namely *Phentermine* at a level above 500 µg/L.

Stewards suspended A. Styles' licence to ride trackwork and in determining the period of suspension, Stewards had regard for the fact that Alexia Styles was stood down from all riding activity on Wednesday, 1 October until Friday, 24 October 2014, and consequently determined that she was free to ride trackwork from Saturday, 15 November 2014.

A. Styles was informed of her Right of Appeal.
