STIPENDIARY STEWARDS' REPORT

Report on Race Meeting held at Strathalbyn Racecourse
by the Strathalbyn Racing Club on Sunday, 24 May 2015

Stewards inspected the Strathalbyn Racecourse on Friday, 22 May 2015 and were concerned with a section of the track between the 1450 metres and the 1400 metres and a section in the vicinity of the 900 metres. Stewards advised members of the rider group, who inspected the track on Friday afternoon and again on Saturday, 23 May 2015, and a decision was made for Stewards and members of the rider group to inspect the track prior to 7.00 am on Sunday, 24 May 2015, to allow as much time as possible for the track to improve.

After carrying out a track inspection on Sunday, 24 May 2015, Stewards were satisfied the section of the track in the vicinity of the 900 metres was safe for racing, however, deemed the section between the 1450 metres and 1400 metres unsafe for racing. In addition, Stewards also had regard for the fact all horses would have to negotiate this area when pulling up and for these reasons, cancelled the meeting at 7.15 am.
