AMENDED NOTICE – Tuesday 11 August, 2015

“Please be advised that, on 5 August 2015, the Australian Pesticides and Veterinary Medicines Authority (APVMA) issued a notice under section 101 of the AGVET Codes to Randlab Australia Pty Ltd. The notice identifies the following veterinary products which have been supplied by Randlab but are currently unregistered and are not able to be lawfully supplied in Australia:

1. Ulcershield – Paste for Horses – Omeprazole 370mg/g
2. Gastropell Forte – Oral Paste for Horses – Omeprazole 100mg/g
3. Zoldronic Acid – Zoldronic Acid 0.45mg/ml
4. Meloxicam Paste – Meloxicam 20mg/g.

\*collectively ‘the products’.

On 27 July 2015 and as varied on 4 August 2015, the Australian Pesticides and Veterinary Medicines Authority issued a notice to Randlab Australia Pty Ltd (Randlab) pursuant to section 101 of the Agvet Code in relation to the products.

The notice requires Randlab to stop supplying the products to any person, other than supply authorised under an APVMA permit to enable supply for the purpose of export.

Please refer all inquiries to your veterinary practitioners or to Randlab.”
